If You Have It Read This Letter.  
Haynes & Taylor Guarantee  
Mi-o-na.

"I was taken last August with a severe stomach trouble. The doctor said it was nervous dyspepsia. He gave me medicine for that. I took his treatment four weeks, didn't feel any better at the end of four weeks than I did when I commenced taking his medicine. I took everything I heard of. The first day of December, 1908, I got a box of Mi-o-na tablets. I took them that afternoon and the next day, haven't had one bit of pain in my stomach since the 2nd of December. I took five boxes. Feel well now, sleep good—that is something I haven't done for a number of years."—Mrs. M. E. Maxfield, R. F. D. 9, Avoca, N. Y., June 9, 1909.

### MEMBERS

In Crittenden County May Begin Delivering Tobacco December 15th.

### UNION COUNTY.

Union county members may begin delivering also Monday the 13th of December.

The Union county tobacco set apart by metes and bounds to Galahar may be delivered at Corydon or Henderson. And members living in the bounds described need not come to headquarters with samples.

And Union county tobacco outside of the bounds described may, beginning Monday, go to Morganfield. No need for distributors' tickets in Union county now. The factory at Uniontown will not be open for the present. Due notice will be given of the opening of that factory.

### WEBSTER COUNTY.

Deliveries to begin at Sebree next Monday, the 13th, to the Imperial Co. On the same day John H. Hodge will receive at Slaughter'sville. On the same day the Gallahar Company will be ready for tobacco at Providence. But the Imperial Company will not be ready to receive at Providence until the 27th of Dec.

And just here the committee directs me to say that while the Imperial will operate a factory at Nebo no Association tobacco will be delivered to that factory. The good members, therefore, who live in Hopkins county contiguous to Nebo will deliver their tobacco to the Imperial Company at Providence. For that is the way the Hopkins county tobacco belonging to members contiguous to Nebo has been sold; and therefore the Association will have no grade at Nebo. The truth is the Imperial has set apart that factory wherein to handle tobacco brought from non-members in Hopkins county and around Providence. And it has been amicably arranged that the Imperial will, beginning the 27th, receive only Association tobacco at Providence. Good members around Providence and Nebo, I am sure, will approve of this arrangement, for thereby is friction, in so far as may be, precluded.

### CRITTENDEN COUNTY.

Members of Crittenden county may begin delivering to W. G. Head & Son at Marion on the 14th and continue until the 23rd inclusive; after which no more tobacco will be received at Marion until January 4.

### GRADERS ATTENTION.

All of the new graders recently appointed for Henderson county will report at headquarters at 10 a. m. for instructions.

### NO DELIVERIES SATURDAYS.

Throughout the approaching season of deliveries no tobacco will be received by any of the purchasers on Saturdays, save only the left over tobacco from Fridays.

Secretary Thompson particularly requests that members deliver tobacco in the same name throughout the season. If that member begins as John Smith, let him deliver his whole crop as John Smith, and not as John Smith and Jack Smith and J. C. Smith. By delivering in one name a multiplicity of accounts will be avoided.

### Nurse Says:

It makes them feel like new persons, relieves their pain and regulates womanly troubles. Both my daughter and I received great benefit."
